Dear Jill

## Price and Volume Query

I refer to your letter of 3 May 2005 in relation to movements in the price of Coventry Group Ltd's (CGL) securities over the past two weeks.

CGL has been monitoring the price of its securities. Whilst there has been a downward movement from 19 April 2005 to 3 May 2005, CGL is not aware of any company specific information that could explain the recent price fluctuation.

Notwithstanding softer trading conditions in some of its markets, CGL still expects that its EBITA before significant items for the half year ending 30 June 2005 will exceed that reported in both the half years ended 31 December 2004 and 30 June 2004.

CGL confirms that it is in compliance with the ASX Listing Rules and in particular its continuance disclosure obligations as contained in Listing Rule 3.1. We confirm that CGL has no information to release to the market that would materially impact the price of CGL's securities.

Yours sincerely

John Colli
